① It's been so long since I've been HOME — By now the kids have surely grown.

My, oh, my, I wish that I was there. To relax in my favorite chair

To hold your hand & love you, dear. HOME, HOME, HOME, HOME,

A7/A D7/A G7/A 4 D.C.

HOME, HOME, HOME —

② I see it clear before me now. You're movin' round inside the house
 Roof needs mending; the fence can wait
 So warm & cozy, my resting place.
 "Home, Sweet Home" it says on the gate. HOME, HOME, etc.

③ (2nd HALF!)
 More & more I wish I was there.
 I'll say it again; it's my daily prayer:
 Please, oh, please, let me be there - HOME, HOME, etc.
