(1.) SPOON ME I - 2

empty night. Let me know your heart's not made of malachite. Just

Spoon Me. straight as pencils. Spoon

me till I slip right off slumberland. Tell me soft and gentle that you understand.

Dust my back with little whisper-kisses, and it feels so lovey-dovey when you spoon-me

This is bliss. Tell you just what we're going to do. when you get the itch,

we'll switch and I'll spoon you. Do - Spoon me with your every fondleing fibre flexed. Squeeze me like you're underbuck & oversexed. Then we never know what's gonna happen next. It feels so lovey-dovey when you spoon me. It's so cozy-wozy "fussily-nuzzley" Spoon me.
