## Chorus

Chorus

A7 D7 G A7 D7 G A7 D7 G

VAG- A- BOND how you roam VAG- A- BOND

C Bb A7 Dm7 G A7 D7 G

Where's your name? just like the tortoise

A7 D7 G A7 D7 G C Bb A7 Dm7 G

1. You get your race  
2. You get your shell

as of this chorus, you're in second place  
where you'd go, all is well

III. One day you left your mother's side

where'd you think you'd run

Smack dab out the other side... & have yourself a little fun

Born to wander, born to roam  
 or: You taught yourself how to Boogie. You teach yourself the rest.

Well, sit down wander, 'cuz this is home.  
 And you knew, before you're through, You'd learn to rob a nest.

Inverse:  
 Oh my, how you roam about!  
 To what've you set your hand?  
 Not much to write home about  
 Not that they would ever understand.

It's your choice not to care  
 Givin' not your care  
 But you'd learn to love it  
 if the chance you had.
