Standin' by the well, wonderin' where you are. I wish that I could tell
 Was it just last night: you & I stand right here & held each other tight. We threw a
 coin in the water. I hope my wish comes true. I wishin' by the wishing well for
 coin in the water. Be sure that we'd be true.

G

you.

But somehow it's all worth it, even if you're late, tho' it's 9 o'clock & I swear I thought we.
 Hey, wait - 2 minute: I hope that you're alright. cuz', just now, I heard an ambulance haul & it
 made the date for eight. But I'll keep waiting, makin' plans like I always make. Seems like
 cut like a knife through the night. Funny, how my mind can be that way. ~~Just a~~

Anyway, if I didn't stay, I'd be makin' a big mistake -
 minute ago I was easy, oh, but now I just hope you're O.K.

Mumbolin' "what the hell" I'd sooner than not, if it's a pretty nice spot for a wishing well.
 Well, I guess it's up to me. I know I should go but I got nowhere else I'd rather be

G

Ripples on the water. There's our future shining through. } Wishing by the wishing well for you -
 Reflection on the water. It's blue reflecting blue. }
